

Course Booklist 2018-2019

The following grids list all books required for **Boston University Academy** courses. The books are sorted by subject and then grade level with the **summer reading assignments** shaded in gray. Students enrolled in a **University course** should consult the BU bookstore listings (<http://bu.bncollege.com>), BU Student Link (<http://bu.edu/studentlink>), or the specific course syllabus for required texts. Students are asked to have all books for the first day of classes. They should buy the specified edition, as well as noting when used or e-books are prohibited.

Course Book Purchasing

Students are welcome to buy their course books from whichever vendor they prefer; however, BUA has partnered with Barnes & Nobles @ Boston University as a way to streamline the ordering process for families.
