

## BUA Parent Parking Policy

- Active pick-up/drop-off is permitted along the side entrance of the BUA building in the area demarcated by the yellow paint. There is space here for up to five vehicles.
- BU Academy parents may park for free up to two hours if visiting campus on school-related business.
- Limited parking is available in the Upper Bridge Lot (Lot H) at 1 University Road (next to the Academy building) and on a first-come, first-served basis; overflow parking will be sent to Agganis Arena Lot (Lot A) at 925 Commonwealth Avenue, and then Langsam Garage at 278 Babcock Street in the event that the Agganis Lot is full.
- Parking attendants in each of these lots have been given a list of current BUA parents; drivers should notify the parking attendant that they are a BUA parent upon arrival.
- BU Academy makes free parent parking available for community events: parking for Fall Festival and for Parent Day/Picture Day when you may be on campus for more than two hours.
- Parents should notify the front desk with any issues.
- A link to the BU campus parking map is [HERE](#).
- Metered street parking is available along Commonwealth Avenue. The meters take five quarters (\$1.25) per hour.
- You can pay for street parking via the [ParkBoston](#) app, available through the Apple or Android stores on your smartphone.
