

Camp Burgess Packing List Wed, Oct 3 – Fri, Oct 5

Depart from BUA at 8:30a Wed | Return to BUA at 12:30p Fri

When packing for Camp Burgess, please keep in mind that overnight camps tends to be tough on non-durable clothing and that weather is somewhat unpredictable. Sturdy shoes are a good idea - some of the trails are rough and uneven and closed toe shoes are required for all climbing wall and challenge course activities. Check the weather the day before we leave. Warm clothes (wool garments or wicking fabrics) and a hat and gloves are recommended for evenings. For the day's activities, cotton T-shirts and shorts will be most comfortable. Always bring rainwear and a flashlight regardless of the season. All beds have mattresses but you will need to bring your own bedding. You will want to bring towels, soap, shampoo and toiletries.

Note that absolutely **no food is allowed in the cabins. If you bring snacks, you must leave them in the dining hall. **Electronics are not allowed. Phones will be collected on the bus.**
