

Course Booklist 2017-2018

The following grids list all books required for BU Academy courses. The books are sorted by subject and then grade level with the summer reading assignments shaded in gray. Students enrolled in a University course should consult the BU bookstore listings, BU Student Link, or the course syllabus for required texts. Students are asked to have all books for the first day of classes.

Course Book Purchasing

Students are welcome to buy their course books from whichever vendor they prefer; however, the Academy has partnered with Barnes & Nobles @ Boston University as a way to streamline the ordering process for families. Please be aware that some classes do not allow used texts or e-books.

Barnes & Nobles @ Boston University
