

BUA Parent Parking Policy

- Active pick-up/drop-off is permitted along the side entrance of the BUA building in the area demarcated by the yellow paint. There is space here for up to five vehicles.
- Family parking placards with a dedicated QR code will be placed in student mailboxes on the first day of school. This placard entitles the named passholder to park for up to 2 hours for school-related business in the Upper Bridge Lot (Lot H) adjacent to the BUA building or across the street at the Essex St. Lot & Garage (Lot F). Use the QR Code to enter the lot and then display the placard on your windshield. *Students are not permitted to use this card for personal use.*
- Limited parking is available in the Upper Bridge Lot (Lot H) at 1 University Road (next to the Academy building) on a first-come, first-served basis; overflow parking will be sent to the Essex Street Garage & Lot (F) at 148 Essex Street, and then to the Agganis Arena Lot/Garage (A/C-2) at 925 Commonwealth Avenue in the event that the Essex Lot is full.
- BUA makes parent parking available for community events when you may be on campus for more than two hours.
- Parents should notify the front desk (617-353-9000) with any issues.
- A link to the BU campus parking map is [HERE](#).
- Metered street parking is available along Commonwealth Avenue and Bay State Road. The meters accept credit cards and cost (\$2.50) per hour.
